What's going on in Llwynypia?

It was lovely to see all of the children back in school and ready to learn after the Christmas holidays. We have started term with a bang and the first of our many visitors have been in to help us learn.

Dental Service

Dosbarth Oren and Porffor had a visit from the dental nurse yesterday. The children enjoyed a presentation about looking after their teeth and discussing which foods and drinks can be harmful. They also got the chance to test the acidity of different liquids and work out which may cause tooth decay if we were to drink them all the time

The Fire Service

The fire service from Tonypandy came in to speak to Dosbarth Aur about possible dangers in the home. This was a very informative lesson, all children listened well and asked relevant questions. They were also given a booklet to complete to reinforce the learning.

Fire service talks for children focus on age-appropriate fire safety, teaching them what to do in an emergency (Get Out, Stay Out, Call 999/911), never playing with matches/lighters, crawling low in smoke, having escape plans, and recognizing fire hazards like cookers and heaters.

Dear Parents and Carers,

Do you find it challenging to get your child into school on Mondays and Fridays? Why not join us at Y Pantri, our community room located in the Junior yard, where parents can enjoy breakfast with their children?

When: Mondays and Fridays, 8:45am – 9:15am
Cost: Free

Improving attendance is a key focus of our School Improvement Plan this year, and we've noticed that Mondays and Fridays are the most difficult days. Let's work together to make these mornings easier and more enjoyable for everyone.

Animal facts!

Bats are the only mammals with wings.

Bats sleep upside-down: They hang upside down to rest and sleep, which helps them launch into flight quickly and evade predators.
