Football Tournament

On Monday, Miss Price took a team of boys to Ysgol Nantgwyn to take part in Sporting Marvels Football Tournament.
The boys put in a fantastic effort in the blazing sun and reached the semi-finals of the cup. We were pipped to the post in the last game but nonetheless, we are really proud of the way the boys came together and played as a team!

Forest Schools

Mr Kirkham has spent the last week taking part in Forest Schools training. This training will allow us to provide hands-on, practical outdoor sessions for our children. Mr Kirkham has enjoyed the sessions and can't wait to put his training into practice.
