What's going on in Llwynypia?

Book Fair

Our book fair was a fantastic success and it was wonderful to see so many children and their parents engaged in the joy of reading. The total money spent on books was £984.79 and £492.40 was raised for the school to spend on books. The children will be asked to give ideas for books they would like to see in class libraries to further support the rich culture of reading we have established in our school. Thank you everyone!

Meet the Author

Welsh Author Jenny Sullivan originally from Raglan but now living in France linked up with PS3 to tell the children about being an author and answer their pre- prepared questions. Jenny spoke about the 31 books she has published and how her teachers in primary school inspired her to be an author. Jenny was engaging and the pupils were very keen to find out more about Jenny's work. She has also kindly donated the school three of her published books and is going to work with groups of children to develop their writing in the new year.

Eco Warriors

Eco Council representatives from Dosbarth Aur and Arian took part in a live interactive session with pupils from across Wales to share inspiration! The workshop was titled 'Our Voice, Our School, Our World' We celebrated the importance of the Eco committee and outlined our plans and actions for this academic year.

Pupil Voice

Yesterday and today we celebrated the appointment of our pupil voice groups we've named our Prefects and the councils and we can't wait to start working with them to develop our action plans for the year!

Missing school

Feeling anxious or worried

It's normal for children to feel a little anxious sometimes. They may get a tummy ache or headache, or have problems eating or sleeping. Avoiding school can make a child's anxiety about going to school worse. It's good to talk about any worries they may have such as friendship problems, school work or sensory problems. You can work with the school to find ways to help them.

Look out for our cluster attendance videos on social media, featuring some of our children.

Animal facts!

Zebras

No two zebras have the same stripe pattern it's like a fingerprint!

Their stripes help confuse predators and keep them cool in the sun.

- **Your nose can remember 50,000 different scents!**
- **You actually breathe through one nostril at a time, and your body switches nostrils every few hours.**
