What's going on in Llwynypia?

We're Back

It's hard to believe that we are already three weeks into term, and as usual all of us, staff, pupils and governors are incredibly busy. The teachers have already begun planning for exciting educational trips and dare we say it, Christmas. The two new play structures have been a fantastic addition to our outdoor provision. All of the pupils are absolutely loving them and they are so popular, we have to timetable them to make it fair. I

Pets at Home

In some classes children have been treated to a Pets at Home workshop, learning all about how to care for pets and responsible pet ownership.

Life Saver

Today I want to give a massive thank you to Mrs Chinnock who this week, performed a bit of a miracle. During snack time, a child in her class began to choke on a piece of strawberry. Firstly Mrs Chinnock patted her on the back, but that didn't work. Calmly, remembering her paediatric first aid training, she knew the next step was the Heimlich manoeuvre, she carried it out and hey presto the strawberry was forced out and the danger was over. Just a reminder not all heroes wear capes. Well done, Mrs Chinnock.

Spectrum

Learners were taught about safe and unsafe situations. They were given spiders and asked how they could be treated looking at right and wrong situations. They made a relationship soup and then composed a poem together. They also made a key chain to show friendship and respect.

After School Clubs

Clubs start back tomorrow, thanks to the staff who are giving up their time to run them. There are a variety of clubs on offer, including Glee for singing, Cambrian sports, Code club and our exciting new one, Podcast Club. The links will be sent this evening. Numbers will be capped to ensure a safe pupil adult ratio.

Missing school

Feeling anxious or worried

It's normal for children to feel a little anxious sometimes. They may get a tummy ache or headache, or have problems eating or sleeping. Avoiding school can make a child's anxiety about going to school worse. It's good to talk about any worries they may have such as friendship problems, school work or sensory problems. You can work with the school to find ways to help them.

Look out for our cluster attendance videos on social media, featuring some of our children.

Did you know?
Animal facts!

- Elephants can recognise themselves in a mirror just like humans!
- Their ears help them stay cool in hot weather.

Rainbows happen when sunlight shines through raindrops!

Weird Science.

Materials & States of Matter

- Water is the only substance that exists naturally as a solid, liquid, and gas.
- Glass is neither a liquid or a solid! It is an amorphous solid a state somewhere between those two.
- Some metals, like gallium, can melt in your hand.

Joke of the Week!

What kind of vest should you wear in autumn?

A Har-vest!

Did you know you can support us and raise money every time you shop online? And the best part? It doesn't cost a penny!
Introducing easyfundraising, the free fundraising platform that lets us earn donations when
we all shop online. With 7,500+ brands to choose from, including Tesco, Sainsbury's, John Lewis & Partners, Sports Direct, ASOS, M&S, Boots, Just Eat, and Booking.com, there's something for everyone.
Here's how it works: Download the easyfundraising mobile app, once you sign up, simply start your shopping journey and the retailer you shop with send us a free donation based on your spending and with no additional cost to you.
Registering yourself takes just 2 minutes and all you need is your email address.
But wait, there's more! To help us get up and running, we've been offered an exclusive incentive for a limited time only. When a new supporter signs up and shops with a brand within the first month of joining (T&Cs apply), easyfundraising will generously give us £3.
So, why wait? Support by registering today! Download the app, Join, shop, and make a difference!
