What's going on in Llwynypia?

Platinum Eco Award

After completing a case study for Keep Wales Tidy/ Eco Schools Wales Julie Giles (Eco School assessor) arrived to potentially renew our award as a Platinum Eco School. Mrs Chinnock was very nervous, but she needn't have been, as she mentioned last week, we are very active and committed to promoting health and wellbeing within our local area and protecting the environment. Julie the assessor agreed and presented us with the award and told the children what a great job the school is doing. We are so very proud to have maintained our PLATINUM status.

Yard Paintings

Our new yard paintings are a great success with all of the Junior children and Year 2. They have thoroughly enjoyed the circuits and dartboard, not forgetting the snakes and ladders. The aim of the project was to improve the health and wellbeing of all of the pupils and so far it is turning out to be a great success, doing just that! Thanks again to Mrs Chinnock who secured the funding and the children for choosing the theme and layout.

Year 6

Year 6 have had a busy week this week!! They have had transition visits to their comprehensive schools and taken part in some interesting lessons and sporting activities.

If that wasn't enough, 14 out of the 18 left for Llangranog this morning, and were waved off by some of their tearful parents. We think the residential trip is a rite of passage for the children, as they are about to embark on the next phase of their educational journey. Parents and carers can count on the staff to keep them updated on all of the exciting activities they are about to experience. On behalf of all the children, staff and parents thanks to Miss Hurley, Miss Price and Mr Kirkham for giving up their weekends with their families, to supervise the children.

Missing school

Feeling anxious or worried

It's normal for children to feel a little anxious sometimes. They may get a tummy ache or headache, or have problems eating or sleeping. Avoiding school can make a child's anxiety about going to school worse. It's good to talk about any worries they may have such as friendship problems, school work or sensory problems. You can work with the school to find ways to help them.
