What's been going on in Llwynypia?

Eye to Eye Social Media Workshop

On Tuesday, we piloted a parent and staff workshop with Eye to Eye counselling service surrounding the dangers of using social media, sexting and sextortion. This was a very informative workshop that generated thought provoking conversations. Staff and parents were shown useful resources to help safeguard children while using online platforms and to help teach them about the dangers of the internet. We will be adding help sheets to our newsletter each week that will focus on a different app.
If you require support with your child's use of social media or online gaming, please do not hesitate to contact us.

Good Luck, Miss Williams!

This week we bid farewell and good luck to Miss Williams, who has been completing her student teaching placement in Dosbarth Gwyrdd.
The children have thoroughly enjoyed being taught by her over the last few weeks and our Languages Club have had the benefit of being shown her expertise on a Thursday after school. Miss Williams has secured a teaching job for September in another school, and we want to take this opportunity to wish her all the best in her new role. Good luck, Miss Williams, we are sure the children at Llwynypia will miss you!

Show Tickets

A mistake was made on last week's newsletter, show tickets are on sale from Monday 29th June.

After-school Clubs

Next week will be our last week of clubs for the Summer Term due to other events during our last few weeks.
There will be no after school clubs on or after the week commencing June 29th.

Parking

We appreciate that the beginning and end of the school day can be particularly busy on the roads outside the school, however it is prohibited to park on the zig-zags outside off the school on Institute Hill. This is to ensure that all of the children coming to and from school are kept safe at all times. Traffic enforcement officers can also issue fines if you are caught parking in this area.

Sun Safe

As the sun is forecast to put his hat on next week, please ensure that your children come to school with water bottles, hats and suncream. We can assist your children in re-applying suncream throughout the day, however they must have their own bottle of suncream. Please ensure all hats and bottles of suncream are labelled with names.

Attendance

We are now recognising our class attendance in terms of days missed rather than percentages. We total up the amount of days each child has missed and this is added together to create the total number of days missed per class each week.

Dosbarth Porffor Expressive Arts Project

We welcomed Billie, a visual storyteller and artist, who worked with us to create our own imaginative stories based on different animals. We imagined and designed our own animals for our topic 'Tomorrow's World', considering how they might evolve to survive in environments on other planets. We painted our designs using a variety of colours and techniques, carefully adding details, patterns and textures to bring our imagined animals to life. The day ended on a magical note, with Billie sharing a story about the Afanc, the fearsome water monster of Welsh Mythology!

Swimming Lessons

During this week's swimming lessons, some of the Year 6 children managed to dive and get the dummy from the bottom of the pool and one even managed to get it out of the 3m depth. This was quite an achievement as no other school has been allowed to do this! Excellent life-saving skills being demonstrated, well done Year 6!

Sports kit

If you have any of our rugby or football kits in the house, please can they be returned. We currently do not have a full team kit to send to tournaments with our rugby and football teams.

Llangrannog 2027

Forms have been sent to our current Year 5 children to register interest for next year's Llangrannog. If you are interested in your child coming, please ensure that you have completed the form so we can gather numbers and calculate final costs.

Show tickets

Summer show tickets will be on sale from June 22nd. They will be at a cost of £2.50 and this will include a raffle ticket. All shows are on Monday 6th July, we have allocated three tickets per family and the show times are as follows:

Dear Parents and Carers,
Do you find it challenging to get your child into school on Mondays and Fridays? Why not join us at Y Pantri, our community room located in the Junior Yard, where parents can enjoy breakfast with their children?
When: Mondays and Fridays, 8,45am – 9.15am

Improving attendance is a key focus of our School Improvement Plan this year, and we've noticed that Mondays and Fridays are the most difficult days. Let's work together to make these mornings easer and more enjoyable for everyone.

Our Pantri is open to the families of our school and wider community every Friday morning between 8.45am and 9.15am. If you would like to use the Pantri, there is a £3 suggested donation which will allow you a bag of 10 items from the shelves.
