What's been going on in Llwynypia?

Ahead of the Game

Year 5 and 6 were visited by a guest speaker to help them understand the risks associated with online gaming. The session began with pupils identifying what was safe and unsafe using a range of images, encouraging thoughtful discussion and decision-making.

They explored a variety of apps that they regularly use and learned about the potential dangers of making in-game purchases. Pupils were introduced to the idea of setting spending limits using parental controls, helping to reduce the risks linked to online spending.

The children also discussed "mystery boxes" and considered why these can be risky, as well as how they can be approached more safely. They were challenged to define the term *gambling* and produced some very thoughtful and insightful responses.

In addition, pupils learned about the impact gambling can have on mental health, particularly how it can influence emotions and wellbeing.

The session was highly engaging, and the children listened attentively throughout. They were praised for their mature behaviour, thoughtful contributions, and strong understanding of an important topic.

There are parent workshops available via the link on the poster sent with the newsletter.

Reminder- Inset day on Friday 22nd May and Monday 1st June.

Appointment of a New Parent Governor

We are delighted to announce the appointment of our new parent Governor, Mrs L Chinnock. She is looking forward to supporting the school moving forward.

Parent Coffee Morning

We will be hosting parent coffee morning for children who have an IDP. If this is successful, we will be opening our coffee mornings up to other parents. There will be more details to follow.

Year 5 Sports

Last week, as part of their transition days, Year 5 enjoyed a fun sports activity day in Ysgol Nantgwyn. The children enjoyed interacting with their peers from the other cluster schools and it was a great chance to develop different sports skills.

Sports Day

Sports day will take place on Thursday 4th June (weather permitting). Children have been sent home with a slip stating which colour team they are in. Nursery to Year 2 will take part on the bottom school yard and will begin at 9.15am. Year 3 to Year 6 will take part on King George's Track and will begin at 1.15pm.

Eco Challenge!

"Don't throw it, re-grow it!"
Did you know you can grow lots of veggies from the off-cuts of your vegetables. This is a great way to grow your own food.

Fact about Sun Safety

- UV rays can cause permanent damage to your skin if it isn't protected.
- SPF30 suncream blocks around 97% of UVB rays.
- Seeking shade is most important between 10am an 4pm when the sun is the brightest and UV rays are the strongest.
- Just because it's cloudy, it doesn't mean your skin is safe from UV rays.
- Wearing sunglasses is important so that your eyes don't get damaged by the sun.

Joke of the Week

What is the sun's favourite type of party?

A solar-bration party.

Riddle of the Week

What jumps when it walks and sits when it stands?

Dear Parents and Carers,
Do you find it challenging to get your child into school on Mondays and Fridays? Why not join us at Y Pantri, our community room located in the Junior Yard, where parents can enjoy breakfast with their children?
When: Mondays and Fridays, 8,45am – 9.15am
Cost: Free

Improving attendance is a key focus of our School Improvement Plan this year, and we've noticed that Mondays and Fridays are the most difficult days. Let's work together to make these mornings easer and more enjoyable for everyone.

Y Pantri

Our Pantri is open to the families of our school and wider community every Friday morning between 8.45am and 9.15am. If you would like to use the Pantri, there is a £3 suggested donation which will allow you a bag of 10 items from the shelves.

If you would like to donate to the Pantri, we are always accepting donations and we are grateful for all those who show support.
